

Rotak 40

Lawnmower

Rotak 40

Effortless handling right up to the edge.

- **Effortless operation:** the new “Ergoflex System” enables easier steering and a better body posture.
- **Lightweight:** very light with integrated handles for convenient carrying.
- **Effective:** mow right up to the edge thanks to the grass combs.

“Ergoflex System”

Powerful Powerdrive motor

Precision edging

- “Ergoflex System”. Ergonomically shaped and adjustable handles for a better body posture and reduced muscle strain when mowing
- 1700-watt Powerdrive motor ensures a reliable cut, even in the most difficult conditions
- Light weight for easy handling
- Folding handles for compact storage
- Innovative grass combs. Cut close to the edge of walls, flower beds and lawns

Part no. 0 600 881 200

- Grass box 50 l

Technical data

Motor capacity	1.700 W
Torque	22 Nm
Cutting width	40 cm
Cutting system	Rotary blades
Weight	12,4 kg
Grass box capacity	50 l
Cutting height	20 – 70 mm
Cutting height adjustment	10, central
Type of handle	“Ergoflex-System”

Functions

- Powerdrive motor
- Grass combs
- Integrated carrying handle
- Motor overload cut-out
- Large 50-litre collection box
