Goods & Services Tax – Harmonised System of Nomenclature (HSN) Codes

Dear Sir / Madam,

The Goods & Services Tax is scheduled for implementation from 1st July 2017 and we are making progress in aligning our processes with the new procedures. One of the steps involves migration to the Harmonised System of Nomenclature (HSN) codes for all products.

Please find below the HSN Codes and GST Tariff rates for all our products for Welding Filler Metals & Reclamation Consumables.

S No	Description	Excise Tariff Code	HSN code	GST Tariff Percentage
1	Welding Electrodes (incl. Tubular)	8311 10 00	8311 10 00	18%
2	Hot Metal Spray Powders	8311 90 00	8311 90 00	18%
3	Wear Plates	8311 90 00	8311 90 00	18%
4	Flux cored wires	8311 20 00	8311 20 00	18%
5	MIG / SAW Wires & TIG Rods (Non-alloy & Low-alloy)	7229 90 16	7229 90 16	18%
6	Stainless Steel MIG / SAW Wires & TIG Rods	7223 00 10	7223 00 10	18%
7	Aluminium MIG Wires & TIG Rods	7605 29 90	7605 29 90	18%
8	Nickel alloys MIG / SAW Wires & TIG Rods	7505 22 00	7505 22 00	18%
9	Copper alloys MIG / SAW Wires & TIG Rods	7408 19 20	7408 19 20	18%
10	SAW Fluxes	3810 10 10	3810 10 10	18%
11	Gas Welding Fluxes	3810 10 10	3810 10 10	18%
12	Pre & Post Weld Preparation Consumables (PPWP)	6804 22 10	6804 22 10	18%
13	Marathon Pac Accessories Accessories	8515 90 00	8515 90 00	18%

Please note that the listing is based on our understanding of GST. These are subject to change based on the GST notifications / circulars coming on day to day basis. Dealers / Customers may please consult their Tax advisors before framing any conclusion.

Should you feel the need for any further information, please feel free to ask.

With Best Regards,

P Ravi Kumar

Goods & Services Tax – Harmonised System of Nomenclature (HSN) Codes

Dear Sir / Madam,

The Goods & Services Tax is scheduled for implementation from 1st July 2017 and we are making progress in aligning our processes with the new procedures. One of the steps involves migration to the Harmonised System of Nomenclature (HSN) codes for all products.

Please find below the HSN Codes and GST Tariff rates for all our products of Industrial Gas Equipment.

Description	Excise Tariff Code	HSN code	GST Tariff Percentage
Manual Blowpipes (Cutting & Welding)	8468 10 00	8468 10 00	18%
Manual Blowpipes (Cutting & Welding) Spares Parts	8468 90 00	8468 90 00	18%
Cutting Nozzles	8468 90 00	8468 90 00	18%
Welding Tips	8468 90 00	8468 90 00	18%
Gas Welding Hoses	8468 90 00	8468 90 00	18%
Adaptors for LPG	8468 90 00	8468 90 00	18%
Gas Regulators	8481 10 00	8481 10 00	18%
Gas Regulators Spare Parts	8481 90 90	8481 90 90	18%
Pressure gauges	9026 20 00	9026 20 00	18%
Small & Medium Cutting Machines	8468 20 10	8468 20 10	18%
Flashback Arrestors	8481 80 49	8481 80 49	18%

Please note that the listing is based on our understanding of GST. These are subject to change based on the GST notifications / circulars coming on day to day basis. Dealers / Customers may please consult their Tax advisors before framing any conclusion.

Should you feel the need for any further information, please feel free to ask.

With Best Regards,
