### Service Promise

Indian Agencies has authorized service center of Bosch, KPT, ESAB and Makita, thus all repairing works is done in house. We not only sets standards in the development of new power tools for trade and industry, but also in the organization of services for all aspects of the power tool. This service ranges from an extensive offer of training courses through to optimum service in the event of a repair.

### Spare Part Delivery

Spare parts are stored at places close to the customers. The desired spare parts are delivered within the shortest possible time.

### Quick Repairs

Service Promise is a guarantee to the user that the machine given for repair at our service center will be duly repaired as per Bosch standards. Our service centers are geared to repair the tool in the shortest possible time. Nearly 90% of the repairs are completed within 48 hours.

### Genuine Spare Parts

We guarantee that we use only Genuine Bosch spare parts. This will ensure 100% performance of the tool even after repair.
